The credit for the success of the Battle Group should be given to Sgt. Caldwell. Without his leadership and guidance, we would not have had an outstanding unit. His expert coaching of the rifle team has won Tech national fame. Again this year, Tech has won the Honor Star. All of this was through the efforts of Sgt. Caldwell.

Sgt. Ross, the assistant commandant, is Sgt. Caldwell's right hand man. Without his co-operation and support, Sgt. Caldwell could not have devoted as much time to the Battle Group as he has.

Mrs. Murphy, the faculty sponsor of R.O.T.C., is the one who is responsible for the morale of the corps. She, along with the student sponsors, give parties and social events for the cadets. We feel that this year, Mrs. Murphy has done the best job yet.

Bulldogs get off to a bad start

Denton 0-12

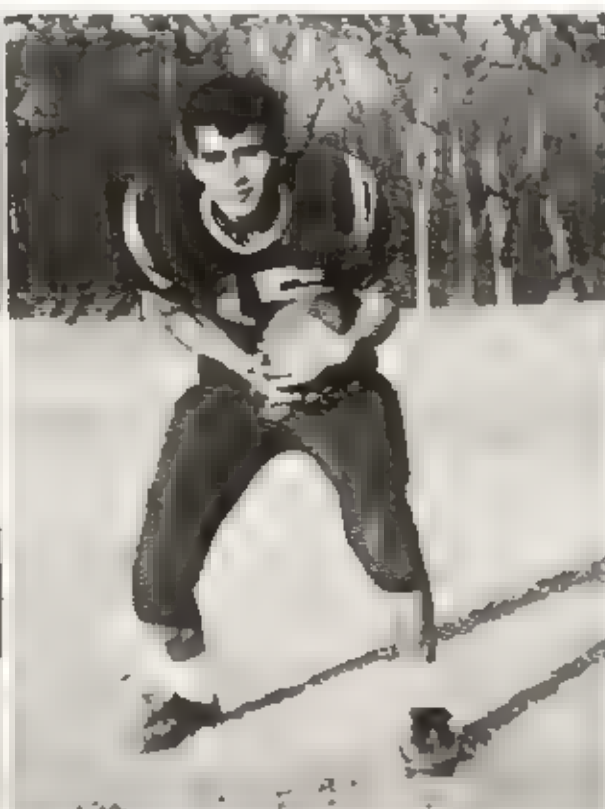

The scrappy Bulldogs, though young and inexperienced, gave the favored Broncos a tough time. The hard-hitting boys in green had a bad break when their starting center, Phillip Giles, was injured and could not finish the game. This did not seem to dampen the spirits of the Tech team, however, as they kept on with the idea to win.

Sherman 0-36

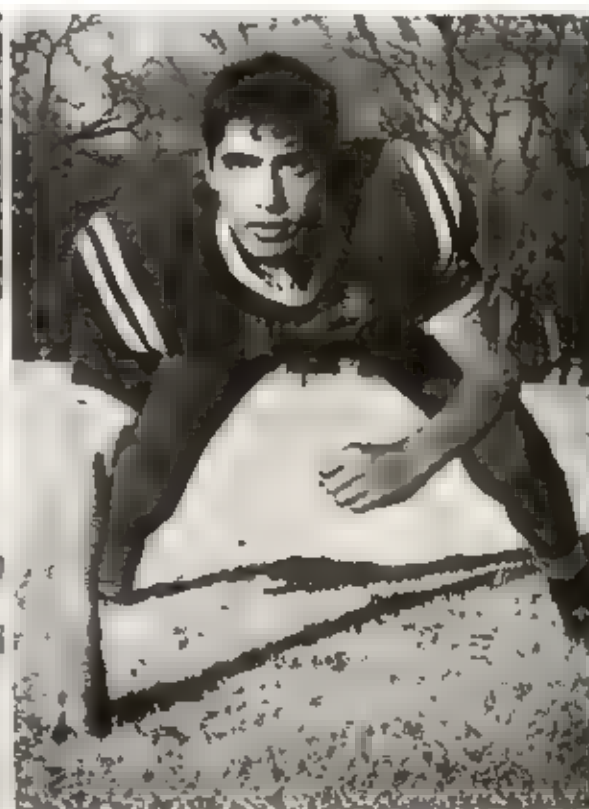

The bruising Bearcats from Sherman made the Bulldog's long trip North the toughest one of the season. They took all the breaks, gained on most of the penalties, and finally won the game by a wide margin. Playing before a capacity crowd of about 1000 people in Sherman, the younger team from Fort Worth seemed a bit shaky and unable to get rolling.

Adamson 8-30

Playing their first home game, the Bulldogs showed a renewed spirit. Trailing 0-30, the Big Green put forth an extra effort in the final quarter and scored its first touchdown of the season. But being so late in the game, the boys from Tech could not score again and they had to accept defeat for the third time in the year.

Brewer 0-0

Sloshing through the mud on the floor of Farrington Field, the wet Bulldogs put up a strong defense against the Bears from Brewer High School. Having trouble getting their own offense to move, the Tech boys had to settle for a 0-0 tie. The surprising defense was led by guard Ted Hardisty, tackle Armon Booth, and another guard, John Paprskar.

Diamond Hill 40-13

Finding Trinity Field favorable, the green-jerseyed Bulldogs won their first victory of the season. After the Eagles scored their opening touchdown, Tech came to life and pushed over 40 big points through the running and the terrific blocking of the line. The points were distributed among three of the starting backs: Ray Ennis, Wally Harper, and Bill Wilcoxson, although Cecil Knight directed the rout.

Paschal 0-32

Starting conference play against the Panthers of Paschal High School, the stern-jawed Bulldogs from Tech came out ready to play a hard game. Their opponents had a 3-2 season record while Tech had a 1-3-1 record. Even though the Panthers were favored heavily, the lads in green-and-white fought hard, ran hard, and tackled hard throughout the rest of the entire game to finally bow down in defeat once more.

Arlington Heights 8-40

Midway through the conference schedule, the Big Green had to face the best reserved team in our district. One hundred and twelve boys were out on the Jacket's practice field every day to work out for football. This aided Heights in any football game because of the large bench they could have. But, this facet did not damper the spirits of the Bulldogs. They fought just as hard and tough as they ever had.

North Side 0-32

Playing before a homecoming crowd, the Bulldogs held up a stout defense for three quarters of the ball game. Soon after the second period started, the Steers from North Side scored on a long run behind some powerful blocking. Then before the Bulldogs could tighten up, they scored four more touchdowns before the half ended.

However, after intermission it was a different story, the Bulldogs, although held scoreless, kept the Steers from paydirt again.

Tech's coaches and players had their bad days

Carter 8-57

Already favored as district champs, the Carter Riverside Eagles came out running and couldn't be stopped until they had racked up eight touchdowns. Carter's tough running Robert Baker, an All-District and All-State honorable mention fullback ran through the less experienced line of the hapless Bulldogs. Tech's lone touchdown came on a fourth period pass from Cecil Knight to All-District End Richard Hungerford.

Polytechnic 20-8

Finishing the season with a bang, the Bulldog's from Tech managed to gain an upset victory over the winless Parrots of Poly. Playing nip and tuck for the first period, Tech lined itself up for an early second quarter tally. The Big Green scored again just before the half-time giving them a 14-0 lead. After intermission, Poly came back and got eight points; but that was not enough as the Tech boys gained another TD before the gun sounded.

But their enjoyable and rewarding moments also came

Ray Ennis comes to a screeching halt as Don Felton (36), Wally Harper (11), and Ted Hardisty (39) come in to help him against Denton. Denton won 12-0.
